IEEE ITSC 2025

The IEEE International Conference on Intelligent Transportation Systems (ITSC)

November 18 – 21, 2025 – Gold Coast, Australia

EXPERIENCE
GOLDCOAST™

Organizing Committee

General Chair

Ljubo Vlacic

IPC Chair

Ahmed Hussein

IPC Co-Chairs

Xiaobo Qu (*Asia-Pacific*)

Ignacio Alvarez (*Americas*)

Treasurer & Registration Chair

Lingxi Li

Publicity Chair

Daniela Horn

Local Organizing Committee Chair

Stephany Berrio Perez

Workshops & Tutorials Co-Chairs

Zhiyuan Liu

Xiao Wang

Industry Engagement Co-Chairs

Jim Misener

Meng Lu

Diversity, Equity & Inclusion Chair

Cecilia Pasquale

International Advisory Committee

Ehsan Hashemi (ITSC 2024)

Javier Del Ser (ITSC 2023)

Fei-Yue Wang (ITSC 2022)

Yaobin Chen (ITSC 2021)

A Flagship Conference of the IEEE ITSS

Join us at the **IEEE International Conference on Intelligent Transportation Systems (ITSC) 2025**, the premier forum for researchers, practitioners, and policymakers to present and discuss the latest innovations in the field of intelligent transportation systems. The IEEE ITSC 2025 will be held in **Gold Coast** city, a region rich in culture and history, represented by the traditional custodians, the Yugambah people.

Theme and Topics

Theme: Innovative Solutions for Future Transportation

Authors are invited to submit papers focused on intelligent transportation systems. Submitted papers will be published in **IEEE Xplore** and may be presented in either a long or short interactive presentation format, including posters.

Topics of interest include, but are not limited to:

- Advanced ITS Simulation Systems
- Advanced Traffic & Travel Management
- AI, ML and Deep learning for ITS
- Air, Road, and Rail Traffic Systems
- Behavioral Modeling in ITS
- Cooperative & Connected Vehicles
- Cyber-Physical-Social Systems for ITS
- Human Factors and HMI for ITS
- Human-Centered AI in ITS
- Intelligent Logistics
- Intelligent Waterborne Systems
- Internet of Things in ITS
- ITS Field Tests and Implementation
- ITS Validation and Verification
- Naturalistic Driving Data Analytics
- New Trends & Emerging ITS Technologies
- Public Policy, Regulatory and Societal Issues in ITS
- Safety, Security and Privacy in ITS
- Shared Mobility, Smart Mobility and Transportation 5.0

Express Your Interest

Scan the **QR-Code** to stay updated with the latest information!

Important Dates

Submission Deadline

May 1st, 2025

Notification of Acceptance

July 1st, 2025

Final Papers Submission

July 15th, 2025
